

**Your First Step To Better Health, Congratulations!**

Congratulations on your decision to take the first step to better health. We will guide you through each step of our 5 step process to becoming a new patient. Please feel free to reference this section, or our entire website, at any time during your new patient experience.

Yours truly,  
Dr. Berry

We strive to make your first visit to our office a comfortable experience. Our receptionist will welcome y

After discussing your condition the doctor will give you a thorough chiropractic examination. This will in

**STEP**

**3**

Your spine will then be analyzed with the ProAdjuster instrument to detect areas of fixation, hypomobility

**STEP**

**4**

After all the information from the exams, forms, ProAdjuster analysis, and x-rays (if needed) are completed

**STEP**

**5**

Most patients report relief from their first adjustment! Our practice adjustments are gentle, personal
